HORSE TRIALS

*Hunters Run USEA Horse Trial is **Aug. 11-13**, and we are pleased to announce that we have \$5,000.00 prize money for the Open Intermediate division. The T.E.A.M. Benefit Horse Trial will be **September 24th***

David and I would like to announce that we are planning on having on-grounds stabling this year. Check your summer USEA Omnibus for 2006 and pass on the word!!!!!!!!!!!!!!!!!!!!!!

LESSONS AND TRAINING

Holly Johnson is the trainer at our farm and she has truly been a positive addition. Holly is available for instruction, training, and the sale of event horses. Holly has had an interesting water complex installed at our farm that will be used to develop strong fit event horses with far less strain on their soundness. For more information about Holly you can call 248-802-4809 or check out her web site www.HJsporthorses.com

IMPORTANT CHANGES TO THE COURSES IN 2006

*We are pleased to announce that **Derek di Grazia**, who was awarded the course designer of the year for 2005, will now be designing our Preliminary and Intermediate courses. You can expect many new changes!!!!!!!!!!!!!!!!!!!!!! Derek was here in the fall and left us with a lot of work to do which will really give our courses a major face-lift. **Jeff Kibbie** will be taking over the designing of our Novice and Training courses and I believe he also plans some major changes to these courses. And if this wasn't enough, the new water complex that we started working on last year will be in use by the Horse Trial. The new water complex is **huge** and will offer several different heights of banks, an island that will be very versatile, and a ramp up to the island on one side. We are all going to have a lot of fun with this wonderful water complex!!!!!!!!!!*

SPONSORSHIP & VOLUNTEER INFORMATION

AMERICAN HORSE TRIALS FOUNDATION SPONSORSHIP

This sponsorship program funds all of the Intermediate and Preliminary course changes. We have a sponsorship package to present to anyone who may be interested explaining what we have to offer, and the 501(c)(3) status we have through the **American Horse Trials Foundation Inc.**

The help we need from you is some suggestions of individuals or companies we could pursue to sponsor any of the many levels of sponsorship we offer.

Please let us know if you are interested or have any suggestions for potential sponsors at 810-7962588.

HUNTERS RUN FARM HORSE TRIAL FENCE SPONSOR

Of course, we are not going to forget about the lower levels that are going to have their yearly face-lift! As usual, we rely on our jump/event fund for the changes to the Novice and Training courses. If you have been a sponsor in the past and would like to again---or would like to become a new sponsor this year----the everters in Michigan and Area VIII would really appreciate your generosity and support.

The fence sponsorships are \$250.00 for the first year and \$200.00 for consecutive years there after. Your sponsorship includes: a beautiful plaque which is placed on the fence during the competition and then permanently hung in our club house, acknowledgment in the Horse Show program, and P.A. coverage during the entire show. Please let me know if you are interested in giving this type of support.

We have already had people ask what they can do to help this year...so below is our schedule.

***Please indicate below if you are interested
in becoming a sponsor or volunteer***

Sponsoring through the American Horse Trials Foundation.
Please check our web site for the descriptions of the different levels of sponsorships.
